Week 2 - Get Up

GROUP QUESTIONS

Read 2 Peter 1:3-11

- What does it mean that God has give YOU everything YOU need for life and godliness?
- Peter says i'Through these he has given us his very great and precious promises..." To what is he referring?
- What are some of your favorite promises that God has given us?
- When Peter talks about participating in the "divine nature" he is saying that there is a way to live in line with God's own way of life. How can we translate God's promises into God's way of living daily?
- Ephesians 2 tells us that God has started by giving us His gift of faith and with it many promises for us to put our faith in. Now Peter is telling us to add to our faith some specific character traits and actions in increasing measure. Read the list from 2 Peter 2:5-8 and discuss which ones stand out and why they would be important to you.
- What do these qualities produce in us and protect us from?
- Which of these would you pick to intentionally grow in right away?
- What does it mean to confirm our election and calling?
- Jesus' call to us all is to come be his disciple and to grow more like Him, but this requires an honest assessment of where we currently are, an understanding of where He's calling us to be and a community of people who will help us and whom we can help. Take this time to share prayer requests and support one another.
