A STUDY THROUGH
THE BOOK OF NEHEMIAH

Week 2 - The Proper Plan

GROUP QUESTIONS

Read Nehemiah 1:11 - 2:8

If we're going to rebuild any part of our lives, relationships, or cultures there are 6 steps that Nehemiah models for us; Timing is Everything, Be Honest about the Situation, Never Stop Praying, Own the Problem, Own the Solution, Give God all the Glory.

- Do you feel like now is the time to jump in and start rebuilding? What might make you hesitate to start now?
- What does it take to see the situation honestly, or truthfully? In the world we live in, truth can often feel hard to come by, why is it so important that we find truth?
- Seeing the world and the situation through the eyes of God is crucial to being able to understanding the real problem and seeing the real solution, what steps can we take to make sure our hearts and eyes are in line with His?
- **Read 1 Thessalonians 5:16-18** - What does it mean to pray without ceasing? How can we make prayer a more engrained practice in our lives?
- How can we own the problem? What does this look like?
- Why is it not right to see a problem but not be a part of the solution? When have you seen even the smallest contribution to a solution make a big difference? **Read Matthew 14:13-21**
- Worship is not just for Sunday mornings or singing songs, it is the act of honoring and revering God in every situation in life. In what ways can you worship and glorify God in all the moments a day might bring?
