OUR MISSION: To Serve and Love God's People Through Meeting Physical Needs.

The LH Outreach Team created this Community Resource Guide to serve as a tool to connect people with the resources that are available to them within their communities. We pray that as you reach out to the ministries and non-profits below that you continue to be a part of our church community. God's heart is for everyone to experience His love and provision while still being plugged into a church. The church body functions best when all of its members are caring for one another. As you move forward in this season, we pray that you continually seek the Lord and recognize His provision through these resources. Ultimately, Christ is the one providing a way to your needs.

If you have any questions, comments, or concerns, feel free to reach out.

In Him,
