

LH Students Connection Intern

General Description

The LH Students Connections Intern will provide overall ministry support and innovation by creating a universal strategy to ensure that students are reaching their full potential in the LH Students Ministry. This will be done by developing a system that will clearly communicate next steps for students (i.e. going through the Growth Track, Outreach, Small Groups, Salvation, Baptism, and getting plugged into Lighthouse Church). This versatile role will require an individual with a great deal of organizational skills and a strong ability to multitask.

Essential Job Functions

1. In support of the Student Director, champion the implementation of the overall student ministry vision by ensuring that all LH Students events carry out the mission of LH Church, "reach the lost and make disciples."
2. Create and communicate a system that clearly builds a bridge between LH Student Gathering, Student Serve Days, Small Groups, Growth Track, and Lighthouse Church as a whole.
3. Manage Planning Center Online student database for tracking student development
4. Build and implement an LH Students Connections Team (with the help of the Student Ministry Coordinator) to provide oversight to Student Gatherings, Student Serve Days, Small Groups, Growth Track, and Student Weekend Connect.
5. Work with the Student Director to continually innovate and improve our assimilation process.
6. Think strategically, systematically, and tactically to ensure our assimilation process is meeting the goals of Lighthouse Church.
7. Perform other duties as assigned.

Education and Experience

The ideal candidate will be high-energy and eager to grow in their faith and leadership capabilities. Because interns will receive leadership development and direction from senior church leaders, a teachable and humble spirit is essential. Candidates should possess a deep relationship with Jesus, a love for His Church, and a passion to reach those who do not know Him.

In an ever changing student culture, candidates should also be detail oriented, people-driven, and have a heart for students. The successful candidate has the ability to clearly and proactively communicate. Success in this position will require working in an Apple environment and familiarity with Google Suite.
