

# Glen Burnie Watch Party FAQ

## **Will LH Kids be available during the Watch Party?**

No, LH Kids will not be offered during the Watch Party. We LOVE kids at LH, and it's our goal to always provide a Jesus centered experience and an excellent level of care for your child while they are with us. Due to physical distancing and mask requirements, we do not feel at this time that we can gather children together safely in our space. We know how important it is to disciple these little ones, which is why we have provided an 'LH Kids Watch Party Experience' online for you to use at home! Visit <https://lh.church/kids-weekly> for more!

## **Can I sit together with my family?**

Yes! Members of the same family or household may sit together in a group without needing to stay 6 feet apart. Family/Household groups will be physically distanced from other groups or individuals by at least 6 feet.

## **Do I need to wear a mask?**

Yes, in accordance with health recommendations and guidelines, we will be asking each attendee to continue to wear their mask while in the building.

## **Will we be allowed to sing?**

Yes! We believe worship is never a spectator sport. While worship is certainly much more than just singing, it is never less than that, and we want to worship with our hearts, hands, feet, AND voices. We do ask that in accordance with health recommendations and guidelines, that masks remain on while singing.

## **How can I 'save a seat' in the Sanctuary?**

Pre-Registration will be available and required in order to attend the Watch Party at the Glen Burnie Campus. You will be able to register online as well as complete any necessary Waivers and Agreements prior to attending. Only those who are pre-registered will be able to enter the building for the Watch Party. On-site, day-of registration will not be available.

## **Will the Cafe be open?**

No, unfortunately, we will not be opening the Cafe at this time.

## **I do not feel comfortable gathering with such a large group quite yet, but I would like to gather with a few people, what can I do?**

We certainly understand this option may not be for everyone. We are also encouraging in-home Watch Parties! These are smaller gatherings of 10 people or less who meet at an individual's home to watch the Worship Service stream together in person. These can happen anywhere at any time! You could start one yourself by just inviting some friends or family over to watch together.
